Motion by Carol H:

Motion: To have Cheryl V., our current NIA 20 Panel 64 Delegate send correspondence to the General Service Treatment, Corrections and Literature Committees, prior to the December 15, 2015 deadline, to review the pamphlet P-49 (Bridging the Gap) for the suggested changes and add this item to the 2016 General Service Conference Agenda. This pamphlet currently addresses Bridging the Gap only in terms of Treatment Facilities. The desired revision would be to update this pamphlet to sufficiently encompass all areas where this activity may occur and to include "Treatment Facilities, Correctional Facilities and Institutions" where Bridging the Gap may apply.

Back ground material for the motion from Carol H:

This request is the result of a motion which passed at the 2015 Bridging the Gap Workshop Weekend business meeting held in Park City, UT on September 13, 2015. We were asked to take this motion back to our respective areas and obtain their support in favor of this motion. The previous submitted motion was sent to only the Literature Committee and the recommendation from this year's workshop weekend was to include all three committees affected by this change, Literature, Corrections and Treatment. A copy of a letter previously submitted by Rich H. our Panel 62 area 20 Delegate should be used as the basis for their correspondence and a copy of this letter and the current P-49 pamphlet are attached as background material.

Subject: Request for revision to Bridge the Gap pamphlet P-49

Warm Greetings From Area 20

At the request of the Area 20 Literature Committee, our Area 20 Assembly has voted on and asked me to pass on the request that the Conference Literature Committee revisit the revision of the "Bridge the Gap" pamphlet (P-49) to be more inclusive than Treatment Facilities.

Our Area members who are active in our local Bridge the Gap endeavors- whether they be under the auspices of our Area, District, or Groups- would like to have a pamphlet which is sufficiently broad in its definition of "bridge" that can be used by the Bridge the Gap Committee regardless of whether the majority source of the bridge the gap activity is "Treatment", "Corrections", or some combination of institutions.

A similar request was made of the General Service Office in regards to the two pamphlets which are included as a part of the Corrections workbook materials (F-162 and F-163), and because of this request, two pamphlets were developed which now refer to both Pre-Release Contact and Bridge the Gap, and are sufficiently generic that they are being used by several local Bridge the Gap committees regardless of whether the local use is "corrections" or "treatment" oriented (F-183 and F-184). However, these service pieces are specifically aimed at the AA prospective volunteer or the AA on the inside about to be released. The Bridge the Gap pamphlet is directed to anyone, AA member or not, who might be interested in this service, and is used by our Bridge the Gap Committee in their presentations to professionals.

Changes in conference-approved literature should be supported by a broad AA interest in the change. Because of this, we in Area 20 have obtained the support of our GSRs in favor of this request, which was initiated by a committee of alcoholics using this service pamphlet in their AA service.

Thank you to all who support this much, needed service.

Rich H****

Bridging the Gap

Part of Bridging the Gap between a treatment program and A.A. is the Temporary Contact Program, which is designed to help the alcoholic in an alcoholism treatment program make that transition.

As you know, one of the more "slippery" places in the journey to sobriety is between the door of the facility and the nearest A.A. group or meeting. Some of us can tell you that, even though we heard of A.A. in treatment, we were too fearful to go.

A.A. experience suggests that attending meetings regularly is critical. In order to bridge the gap, A.A. members have volunteered to be temporary contacts and introduce newcomers to Alcoholics Anonymous.

The video "Hope: Alcoholics Anonymous," shown to patients in treatment, emphasizes the importance of having a *temporary contact* as the essential link between treatment and recovery.

It is suggested that the temporary contact take the newcomer to a variety of A.A. meetings; introduce him or her to other A.A.s; insure that he or she has the phone numbers of several A.A. members, and share the experience of sponsorship and a home group.

Temporary Contact Guidelines

- Keep in mind that this is basic Twelfth Step work.
- Experience suggests that it is best to be accompanied by another A.A. member when meeting our newcomer. One of the two temporary contacts should have at least a year of sobriety.

- Experience also suggests that men work with men and women work with women.
- The intent is to provide the newcomer with your help for a limited time. You need not have experience with treatment facilities. Your qualifications are experience as an alcoholic and recovery in A.A.
- It may be helpful for you as a temporary contact to attend workshops on bridging the gap and attend meetings of your area's hospital and/or treatment facilities committees.
- Remember, the goal of both A.A. and the treatment facility is the same — the recovery of the alcoholic.
- Be familiar with the paper "Information on Alcoholics Anonymous," particularly the section on what A.A. *does* and *does not* do.
- In all contacts or activities with treatment facilities, it is extremely important to be punctual and to look your best.

*Try to do
the following*

- Make contact with the newcomer while he or she is still in treatment. To avoid any misunderstandings, explain clearly that this is a *temporary* arrangement.
- Review the many different meeting formats — cover the difference between open and closed A.A. meetings and accompany the newcomer to a variety of meetings. Give the newcomer an A.A. meeting schedule.
- Introduce the newcomer to A.A. Conference-approved books (particularly the Big Book), pamphlets and the A.A. Grapevine.
- Explain group membership and the value of having a home group.
- Explain sponsorship to the newcomer, referring to the pamphlet "Questions and Answers on Sponsorship," and perhaps help the newcomer find a sponsor.

**Points to
Remember**

A.A. does not provide housing, food, clothing, jobs, money or other welfare or social services.

The professional treatment facility is in charge of its patients or clients and is responsible for them. While we cannot compromise our A.A. Traditions, we should remember that we are there as guests of the facility, and must abide by its rules. We are there to carry the A.A. message to the newcomer, and to answer any questions regarding the A.A. program of recovery and the A.A. way of life. Statements that may be interpreted as medical or psychological diagnosis or advice on medication should be avoided. We are there only to share our experience of staying away from one drink, one day at a time, through the program of Alcoholics Anonymous.

In many cases, months of hard work have gone into establishing a relationship which enables us to be invited into a facility. A careless action could destroy that trust and interfere with carrying the message. If problems arise, inform the local service committee. They may wish to present an A.A. informational meeting.

No one speaks for A.A. as a whole. When we carry the A.A. message to those in treatment, we are just one drunk talking with another. How we look, act and talk may be all they are going to know about Alcoholics Anonymous. Since we may be seen as part of A.A., let our new friends see, hear and talk to a winner!

*If you would
like to help...*

If you would like to help in this very important Twelfth Step work and have at least one year of continuous sobriety in the A.A. program, please complete the following information and give it to your group's treatment facilities representative, general service representative (G.S.R.), or mail it to the chairperson of your area or district treatment facilities committee or your general service delegate. In some areas, service committees and temporary contact programs are organized through the local intergroup or central office. Or send it to the Treatment Facilities Desk, General Service Office, Box 459, Grand Central Station, New York, NY 10163, so that G.S.O. can forward the information to your area, district or other Treatment Facilities Committee.

Background material for motion by the Corrections Committee:

The SIA 21 Corrections Chair, David G, has reached out to NIA 20 for assistance with literature for correctional facilities. After speaking at length with David it was determined that there is a desperate need in his area. SIA 21 currently takes meetings into 22 county jails and state prisons, and into 3 federal penitentiaries. He is asking for help to provide a minimum of one case of Big Books and one case of Inmate to Inmate for each facility. He has also asked for some Spanish Big Books. David explained that SIA 21 is lucky to be able to provide one case of Big Books for half of the facilities each year because of the scarce financial resources SIA 21 has.

The order would be shipped directly to David for distribution to each location.

In 2014 NIA 20 assisted SIA 21 with literature. NIA 20 is fortunate enough to have the financial resources and should continue to use it to help other areas in Illinois.
