

Registrar's Report

Presented at the NIA Fall Committee Meeting – October 19, 2013
Marilyn F., Area 20 Registrar

Fellowship New Vision database

Fellowship New Vision database (FNV) was developed by the General Service Office and released for use by the areas in May, 2007. FNV is a web based tool and because of that, updates are immediate. FNV also provides each area, via their Area Registrar, access to update certain area information directly into the database. Because FNV is an online-real time database, what is entered by either the areas or the GSO Records department is available for immediate use.

Four times a year the Alternate Registrar will be sending to the DMC and the District Secretary a document of all of the groups in their district. The last column is where updates can be entered. GSRs can update group information by working with their DCM or district secretary or by completing a group information change form which they can find online at <http://www.aa-nia.org/forms.html>.

Group information includes group name, group number, area, district, history dates, meeting locations and times, and complete group contact information. *District information*, on the other hand, includes district service positions and contact information for those elected to those positions and *Area information* is similar to district information but at the area-level.

This information is the key to communication throughout the A.A. general service structure. GSO uses group information to send information kits to new GSRs, copies of *Box 459*, the GSO quarterly newsletter, and GSO quarterly reports. Similarly, the area uses the information to send to the group *Concepts*, the NIA newsletter, and area assembly meeting minutes. This information is also used by GSO to send information kits to District and area-level committee chairs to help orient them to their service positions and by area service committee chairs to communicate with their district counterparts.

Just a reminder: Since the Concepts uses the information from FNV, and GSO also uses this information, it is still important that the groups and contacts be kept current.

Respectfully submitted, Marilyn F.

Since we will be sending minutes via e-mail, please check with me or your DCM to be sure that your e-mail is correct in FNV.

In FNV the Registrar can search for groups or individuals and do instant updates.

It is no longer necessary to send group information updates to both NIA and GSO. All information update requests can be sent to the area registrar at registrar@aa-nia.org.
