

Report of Alternate Delegate
Fall Assembly, September 12, 2014

July 25th – 27th I had attended the Ohio State Conference with the Regional Forum embedded. I was able to attend a few panels and share about our Area. It was good to hear how the other 13 Areas conduct their business at their assemblies and or committee meetings.

August 16th I and a few Officers held a Service Orientation Workshop hosted by districts 10, 11 and 12, a big thank you to those districts. There were about 26 in attendance. Many asked questions of the panel members. I felt that it was a very informative workshop for service at all levels. I am looking forward to possibly having two more workshops in conjunction with Cheryl's post GSC report.

The General Service Office Quarterly Reports were sent out on August 29th. These reports are receipts of the groups' contributions to GSO. I hope they were shared with the groups in your district.

At our last assembly, the DCM breakout had a few visitors which included the registrar, delegate and the chair of special needs. I felt there wasn't much time to discuss DCM agenda items. I sent out an e-mail asking the DCMs and their alternates how they felt about having the standing committee chair attend with a short presentation. Also, asked about the item we were discussing in regards to the DCM being reimbursed by the Area. No one responded.

Respectfully submitted,

Kelly L.
Alternate Delegate
Panel 64
