Approval of Spring Assembly Minutes - Motion to approve by Cheryl, second by Jeff. Minutes accepted.

Treasury Report, Judd W

Inserted in appendix to this document and includes:

- Balance sheet
- Contributions and expenses
- Financial analysis (done w/help of finance committee)
- Primary Purpose Register
- Alternate Treasurer's Report

I want to provide some background to allow the assembly to make better and more informed decision as motions later in the day come up. I will review attachments to my report – this may take longer than usual.

I am reasonably confident we have excess funds of around \$18.

PPR is split in to two sections – basics and motions. Basic items are based on guidelines. PPMs are for individual activities. Assembly decides that the area committee should do a certain activity.

At the end of the PPR, excess over prudent reserve is 26, 582.16.

If you are ever asked in your group or district, “what does the area do”? you can show them this PPR. This is what we do. If groups or districts want to see something different, they need to let us know. This is the work that the assembly (GSRs) tell us they want us to do.

There was a question about changes to the group contributions list. Best place to go for changes to group contributions list can go to either of us, though best to start with Alternate Treasurer.

Delegate Report and Presentation, Kelly L

Kelly reviewed her PowerPoint presentation, a compilation of her experience in Rye, NY at the GSC this past April. This presentation is available on the “Delegate’s page” of our NIA 20 website.

Official report also located on the NIA 20 website.

At the mic:

Barbara – on slide about literature, did I see they are going to lose money on 2018-19?

Kelly – I do remember there being something about that.

Barbara – this seems like a concern.

If I recall, there were three social media type things. There was Google, Twitter and Facebook. What happened with these suggestions?

Kelly – they will be additional committee considerations. I can look that up and research it.

Barbara – seeing as it isn’t in your list of things that passed, do we conclude that other things failed?

Kelly – it’s not under those that failed. We had the same thing last year that didn’t even come out of committee. Perhaps that happened. I will have to research it.

Bill – The pension fund catch-up, wasn’t there a deadline for that to expire?

Kelly – I don’t know.

Rob – There has been a lot of discussion about litigation and original manuscript of Big Book

Kelly – sent email out – we need to contact PI at GSO. It was mentioned at GSC

Bill – I noticed on the agenda for CPC committee, they were looking at LinkedIn as a possible platform. Did anyone discuss of developing our own AA platform for such communication?

Kelly – I didn’t hear anyone add anything extra about that.

Niki – We received an email about background info that would happen at the conference. One item, J – consider a request to add YPAA to the conference structure

Kelly – I can look for it, but off hand, I do not. It was an additional committee consideration.

Tina – It was a policy and admissions item. Committee discussed it and took no action. YPAA members recognized as AA members and are encouraged to participate

Phil – I know there’s a service pamphlet regarding alcoholics and mental health issues – is there anything discussing anything like a grapevine on this subject

Kelly – I have heard nothing

Anne – Is this PowerPoint going to be available on the website or distributed?

Kelly – details are available on delegate’s page on the website.

Cheryl – thank you very much for all that you have done in the last two years.

1. Motion – GSC to Publish Biographies – Asking for support and input – Kelly L.

Full motion: not clear

Kelly asked to move this motion to the August committee meeting so she can get more information.

Approved by the assembly to do so.

Motion will be heard in August

Background: At our December Area Assembly, Area 34 presented and passed a motion to send a request to the General Service Board to create and publish a book with the biographies of our Past Chairmen of the General Service Board. On 1/22/17, we presented this idea at our quarterly Statewide Service Committee meeting to ask for support from Area 32 & Area 33. The Delegates from those 2 Areas have agreed to take it back to their Areas to see what their members think of the proposal. We are now bringing it to the attention of the remaining Areas in the East Central Region and asking for your support and input regarding this project. The more support we have behind this, the more the likelihood that this project would be considered. We request that you take this back to your Area and see how your members feel about this idea. If the support is there, we would appreciate it if you could possibly send a letter stating your Area's support. You can email the letter to Warren Jefsen at warren.jefsen@gmail.com. We feel that this book would provide some additional history and documentation at the General Service Board level. We also believe that a book like this could be a source for potential Class A's to read and learn about previous Class A's. Thank you for your thoughts and consideration in this matter. *In a message dated 2/16/2017 12:48:08 P.M. Central Standard Time, warren.jefsen@gmail.com writes: Thank you, Kelly it would be for next year, and it's really up to the board and what committee. I would like to see a book from AAWS. Some people think it should be an archive peace and others think it should be from the Grapevine some also said maybe just a service peace and don't be sorry there's never enough questions.*

2. Motion to fund district participation at the 2017 East Central Regional Forum (In Springfield, IL) - by John C. (past delegate)

Full motion: It is motioned that \$5200.00 (26 Districts at \$200.00 per District) be allocated to provide limited funding to offset costs to participate in the 2017 East Central Regional Forum.

Background: This particular funding has been Assembly approved in 2013, 2011, and 2009. It has been used as a participation incentive for District Members which include Officers, Service Committee Members and/or General Service Representatives. The reimbursement authority for this expense reimbursement will be the

NIA Treasurer remitting to each District participating. Funds should be used to offset some of the costs associated with travel and / or lodging for this Event.

At the mic:

Rob – many of our motions we talk about guidelines. Is this limited to \$200 per district?

John – number was derived from the number of districts and past practice.

Ernst – When we discussed the flow of money before in district, groups wanted to see. I was told that the flow of money doesn't go from the area to districts. What do you think of that?

John – based on what we've done in the past and based on PPR, anybody can make a motion for a service activity to be proposed and funds allocated to support it.

John – we discussed general concept of funding for people to go to the ECRF in our district – GSRs were asked to take question back to home groups. I have gotten feedback – more people vote against sending anyone to the forum that being in favor. Money could be better spent to send money from area to GSO.

Sid – Last wed in my home group – a couple of members said that our district should be self-supporting. Maybe, instead of passing our money no to the area, we could keep money in the district.

Chris – D52 – how is it determined who would be able to go?

John – that's up to the districts to decide.

Marilyn read voting procedures and those eligible to vote – substantial unanimity is required

voting results - 62 in favor, 13 not in favor

minority opinion

Sid – support should come from the direct body that the service member is a part of.

Motion passes with 83%

3. Motion to fund NIA Officers, Service Committee chairs and appointed chairs to attend the ECR Forum in November 2017 by Ray M. (past delegate)

Full motion: It is moved that NIA Officers, Service Committee chairs and appointed chairs, current and incoming, be afforded the opportunity to attend the ECR Forum in November 2017. Allowable expenses include: food, lodging and mileage.

Background: check recording Forum is held every two years. ECR holds one very two years on one of the 5 states in one of the areas. Started on 1975 and this was expressed as the purpose by Dr. Jack Norris –2. Provide board to take the pulse of AA personally. 3. To demonstrate to AAs everywhere that the purpose of the GSB is to carry our message. It is not an educational event – it is a spiritual sharing between those in attendance from NY and areas in our region to allow interchange of ideas. It is our responsibility as an area to participate in that. It is also our responsibility. We need to decide whether it is important for us to share our experience and gather more experience. For the last 10 years, my home group has set aside money to support their attending this event.

At the mic:

Ernie – my time is more valuable to me than your money. Please tell me that additional motions 4,5,6, 8, 9, 10 are all wrapped up in this motion.

NIA 20 2017 Summer Assembly Minutes

June 10, 2017

Lord of Life Church, La Fox IL

Hosted by Bridge the Gap Committee

Ray – I can't tell you that. They may be different – they are different.

John – It was my understanding at committee meeting that 4-10 would go away. Today's agenda appears differently.

Ray – I can't speak for those people with other motions.

Ray – it does not cover alternates. People who are current chairs may or may not choose to stand for another position. If they stand for another position, they would be covered coming in.

John – We do have a lot of funds – did anybody estimate what this total cost MHT be?

Scott – finance committee – met last week in light of these motions. We tried to make forecasts regarding to motions – this particular motion total was that 36 folks might attend, made an estimate that this would cost \$6000. It's not a budget – we currently have funds available.

Pete – if the current DCMs can't go, could alternates go? If service committee chairs can't go, can alternates attend instead?

Marilyn – it's not in the motion

Kyle – why would alternates not be covered? Alternates are generally covered when chairs cannot attend. Can there be a friendly amendment to insert it in the motion?

Ray – I won't accept that amendment. If this passes, a second motion can be easily added.

voting results – 56 in favor, 9 not in favor

minority opinion

Denver – GSR, D42 – this motion recent was to allocate a guestimate for area level people to go to ECRF – I feel like we could be doing a lot more with that money to fulfill our primary purpose than spending 11K to send people elsewhere. We could add more within this area. Check recording

Kyle – This motion needs to be more clarified – how much would we give to who? Alternates should be added in case chairs cannot attend. This looks like this was written very quickly. This needs to be more defined. Like I've seen this body do on many other occasions.

If all 36 people go, 6K is not enough @\$122 per person

Motion passes with 86%

4. Motion – Answering Service – ECR Forum

Motion withdrawn based on passage of motion #3

At the mic:

Heather – need to confirm whether or not the co-editor could be included in passage of motion #3

Marilyn – we will look into it and come back to it.

Motion withdrawn based on passage of motion #3

Full motion: The Corrections Committee moves to have NIA fund the Corrections Chair and the Alternate Corrections Chair to attend the East Central Regional Forum November 17-19, 2017 in Springfield, Il. for a cost of \$500.00. Proposed PPM entry:

PPMxx	East Central Regional Forum November 17-19, 2017	Corrections Chair and Alternate Corrections Chair to attend the East Central Regional Forum	\$500.00	Mileage, hotel,

Background: 1. There is the opportunity to meet AA's from five different states and thirteen other Areas within our Region, some working on Corrections Committees in their own Area. There will also be Workshops, Sharing Sessions and Presentations.

2. An opportunity to speak with GSO trustees and Editors

3. Because it is being held in Springfield, and because there are no Forum costs, this is a low cost opportunity to support ECRF activities.

8. Motion – Literature – ECR Forum

Motion withdrawn based on passage of motion #3

Full motion: The Literature Committee moves to have NIA fund the Literature Chair and the Alternate Literature Chair to attend the East Central Regional Forum November 17-19, 2017 in Springfield, Il. for a projected cost of \$800.00. Proposed PPM entry:

Item	Service Activity	Expected outcome, Guidelines and a authority	Projected Cost	Allowable expenses
PPMxx	East Central Regional November 17-19, 2017	Literature Chair and Alternate Literature Chair to attend the East Central Regional Forum	\$800.00 (\$400.00 per person)	mileage hotel

Background: 1. The attendance of AA's from 5 different states representing 13 other Areas within our Region presents the opportunity to exchange ideas with many other Literature Cmte. members and to acquire additional knowledge by attending the forum's Workshops, Sharing Sessions and Presentations.

2. Some GSO trustees, the Office Manager and Staff Members, as well as the Grapevine Editor and possibly La Viña Editor all will be present to offer their experience, strength and hope, along with practical wisdom.

10. Motion – Corrections Committee to be funded to go to the National Corrections Conference in St. Louis, November 2017

Full motion: The Corrections Committee moves to have NIA20 funding for the current Corrections Chair and 2018 Corrections Chair Elect to attend the National Corrections Conference November 10-12, 2017 in St. Louis, Mo. Proposed PPM entry:

Item Service Activity	Expected outcome, guidelines and authority	Allowable Expenses
PPMxx National Corrections Conference November 10-12, 2017 St. Louis, Mo	Corrections Chair and Alternate Corrections Chair to attend	Mileage, hotel, registration fees, meals.

Background: The purpose of the weekend is for AA members involved in correction work behind the walls to come together, share experiences, exchange information and hear from corrections professional, former inmates and other trusted servants throughout the US and Canada. This is the first "annual" conference ever.

At the mic:

Kelly – under expected outcome you say

Pat – correction, should be Corrections chair-elect

Isidro – Why would we send current chair and incoming chair? Why would we send current chair if at that time, you'll no longer be corrections chair.

Pat – I, as your chair for the past two years, and experience with jail s have a lot of experience in this area and have much to share. The chair-elect will learn a lot and will be better prepared to take over. It's a question of chairing my information and be better prepared to take on the job. We plan to prepare a detailed report to be presented when we come back.

John – since it's the first annual – who is actually leading this event and what is the anticipated registration?

Pat – good questions. We have several people in our own area who have expressed an interest

Kelly – I am in favor, especially with current chair going. In my experience, past correction and treatment when rotation is up in the area, they don't top doing that work. When the incoming chair comes back, she'll be able to share a lot. When the rotation ends, we don't necessarily stop that service. We generally don't stop doing certain work if we have a passion for it.

Gary – In favor – I owe my sobriety to decade of work in the jail. When I told my wife I wanted to set aside my money to go to this event, she said but you're not in the job anymore. I still work with and serve in this area. Current chair and incoming will carry what they learn there and pass it on.

Bill – it's very important to send current and newly because of networking and shared experience that goes on. I'm one of those guys that doesn't quit corrections.

Nicki – there's not an allowable amount here? What is the registration, mileage, expenses?

Barbara – estimate is hotel is \$109/night, conference is \$60, driving mileage, 300 miles, approx. \$800.

Answering Service, Bonnie

Patrick and I have been continuing to attend the various districts in our area to gather more details on the answering services in the districts. We are still considering the free Google number which can be used for our area, and calls could be directed to each district who would wish to participate. As each of our districts use different answering service companies, we may find a deal cheaper to all who would like to participate. Due to many scheduling conflicts we have needed to re-schedule with multiple districts and we can't thank you enough for your patience and understanding, as well as, adjusting your district schedules as needed. A BIG THANK YOU!

If they will have us still we have 3 left. Our tentative dates upcoming will be:

DIST 41 - Villa Park Thursday 6/15

DIST 65 - Aurora Tuesday 06/20

DIST 43 – Naperville Sunday 07/16

Patrick and I are scheduled to participate and attend the service workshop fair next Tuesday in Lake Villa. We will bring our display board and some printed maps to distribute.

At our breakout today, we had 5 people in attendance. There is an exciting upcoming Archives workshop in Naperville. Sat, July 15, 1:39-4:30, wfsc w ogden ave. Workshop will include detail about how to start archives, collect group histories. There will be examples of timelines and group histories, and discussion about what material is in area archives of interest to groups. Gathering photos of meeting rooms, collecting oral histories of oldtimers, ways to prepare a new person to become area archivist.

8 attendees in breakout meeting. We talked about workshops in D51. We talked about the pink can fund works. I was asked to provide more info on pink can. I received this from Judd recently: 3,430.00, collections were 5,378.00, outgoing charges – for labels and mailings and shipping, 3,637.00, balance of 5,271.00. We have a lot of pink can funds. Take advantage of it – we're here to help you with needs.

Alt chair resigned this week. I am hoping to get someone in that role soon. Was in the EAP conference earlier this week. It was neat to be in a position to talk to people who refer people to AA. Next week, I'll be at Haymarket symposium event. Did a workshop in April, it was great. Happy to come to your district to talk about CPC.

[DCM committee, Robert](#)

We talked about the need for more education about service work, what it is and how to do it. It was productive discussion. We also talked about hijacking the 2019 Spring Conference. You might hear more about that later.

[GSR breakout committee, Claire](#)

25 people in the group. One of the first topics was simply how do we share with our groups? Some have a picnic, some said they take report back and share it in pieces. At each meeting, they share a little bit. Someone reads sections. He open with there were no fist fights at the assembly...goes through highlights and relates the whole gist at the business meeting. It's good to talk about different way to share with groups. A big part of the discussion was about social media. There was an online discussion board – what are other districts doing? We talked about examples of private FB pages for districts, concern, hacking, privacy, traditions and how that fits in. We talked about going forward with young people and how important it can be – an ongoing issue we have to keep discussing. It is important that we look at the future ways for communicating and sharing. It's about sharing ideas. There are some pamphlets and guidelines and the PI desk has info and the GSO website.

The 4 Seasons of Service challenge for June and July is to submit your story (300 words or less) about how you/your homegroup use the Grapevine and La Viña in committees.

The Grapevine is now accepting stories on Service During the Holidays and on Sponsorship. Both are due July 5th. Some ideas on promoting subscriptions we talked about today in the breakout meeting included districts or groups providing subscriptions for the gsr or for 1 yr anniversaries.

Adhoc committee reports

Area inventory committee, Rich H

We had our first meeting, we have been emailing each other since committee, have been developing questions. WE came out with three key topics: Communication, Participation, Education. We have involved the Area Chair on our communications. We will start looking for timeframe for dissemination and method, to get best all-around input from Area 20. Not only people who attend meetings and those who do not. Thank you to Chairperson Marilyn for asking for the formation of this Inventory Committee. We have a Committee of nine, which is large, but is very broad and eager. Since the Spring Committee we have had e-mail communication putting together a long list of questions.

We have also included Chairperson Marilyn in all communications, as should be with all Committees. To keep her up to date with the work being done.

At the Summer Assembly we met, and Rich H. is our Chair, Dawn B. is our Co-Chair, and Heather H. is our Secretary.

We asked ourselves a lot of questions, most notably to report is, the Inventory can't be too lengthy, and the questions should be self-explanatory. How and when to do this Inventory. And our goals seem to be defined into three topics, Communication, Participation, and Education.

Area adhoc technical committee, John

We are all well aware of the rapid advancement of digital technology, particularly as it affects communication on the internet, including websites, social media and internal area committee interactions. At the 2017 winter committee meeting we formed an ad hoc committee to determine whether the Area should establish a standing technical committee to deal with the both the current and unforeseen technological issues. There are eight people on ad hoc committee.

We've had two conference calls so far and have been using an on-line forum to share our thoughts. In short order we unanimously agreed that a technical committee was needed. Our subsequent discussions have concerned the structure, duties and responsibilities of the technical committee.

At the summer committee meeting we plan to present a motion to form a technical committee for potential voting at the Fall Assembly.

Area finances are very healthy – stronger than expected 7th tradition contributions. It is forecasted that at the end of the year, we will have approximately \$18,000.00 above our prudent reserve. In advance of the spring committee meeting in May, we came to the conclusion that we'd have at least \$15,000 and that there would be recommendation to this Assembly to make a contribution to the General Service Board; that was subject to the caveat about other PPM items that would be heard. WE asked that that communication about that \$15,000.00 be sent out to officers and committee members to allow them to make motions if they so choose, which would impact our recommendation. As a result of today's proceedings, there have been modifications made based on passage of numerous motions. We met last week in anticipation of today's motions being passed and tried to assess what the impact would be against the overage we had of \$15000.00. There are actually now four motions – we anticipated three. We have to now take into account motion for concepts editor and coeditor. As a result of motions passed today, we are prepared to recommend to the assembly that a sum of \$8300.00 be forwarded on to General Service Board.

At the mic:

Marilyn – what was the amount?

Scott – \$8300.00

Marilyn – ok, thank you - amount of \$8300.00 is approved

Al – we seem to be rather flush, our friends in southern Il are not. I'd like to ask us to consider this as we consider what to do with our extra money from the pink can.

Report and Charter Committee, John

At our last Report & Charter Committee meeting on Saturday June 4th in Lake Zurich we completed our second review of the Northern Illinois Area 20 Service Handbook combining the abridged and unabridged versions into one document. To simplify and provide one set of guidelines that every AA member interested in learning about the responsibilities of a Trusted Servant, we would like to have the procedures for hosting area events available on the website instead of being included in this text. Although our most recent

examination was to check for consistency and flow of the material, Larry Stiff who has been our recorder of every decision the group has made will complete one final assessment of the document formatting as we prepare the revised version. Our intention is to present a motion at the Summer Committee meeting on August 10th to accept this document as the official Northern IL Service Manual for Area 20. It will be emailed along with the motion prior to the committee meeting so that it can be easily distributed to all members. This has been a long venture for some of our committee members lasting 3-4 years, and others who joined the review in mid-stream. This Grapevine quote from June 6 th offers a principle that seemed to work well for us: "There will always be people in the Fellowship with whom I don't see eye-to-eye, but that doesn't mean we can't work together. The Fellowship wouldn't be what it is today if we always saw eye-to-eye on everything." Goffstown, N.H., September 1994 "Principles Before Personalities," AA Grapevine The experience and perspective that each member on this committee provided was priceless as we worked to formulate every word and action to the right location that made sense to all of us. Having Marilyn Finn our area chair present at our meetings has awarded us the insight of how we currently work together to accomplish all the area activity and business. Our task was not to recreate the wheel as we did not change any of the responsibilities and guidelines already in place but to ensure that it is communicated freely and succinctly to everyone. We hope that you will all find this product which has been the work of so many for countless years acceptable as one of our area's most valued tools.

At the mic:

Marilyn – how will changes get out to everyone? Who's emailing it out?

John – at our last meeting, discussion was that Larry would reformat and send to report and committee where we go through a final look and Larry would email it to the Area Chair to distribute to area committee for committee meeting. At that point, it could be sent to anyone who may be needed to vote for approval at September assembly.

Heather – will there be a list of changes published so we know where changes were made?

John – we have it in an editing version but I don't think we're distributing that. What Larry proposed was that when we went through final review and present as a whole document that no more changes would be made.

[Web Administrator, John C](#)

At the spring committee meeting Earl N. was appointed alternate website administrator. He has been of great service to District 10, and among other things he rewrote their website. That site is a model for content and sustainability for organizations like ours. Earl has been extremely helpful in our own efforts with the area website and we are fortunate to have his dedication and expertise on the area committee. You may contact him at alt-webmaster@aa-nia.org.

We've made two minor changes to the area site since the last assembly. You will now find motions and the chairperson's cover letters on the Agendas page. Until now they were both linked on the appropriate Events page, but beginning with the 2017 Spring Assembly you'll find them grouped with agendas. That ought to make them easier to find for future reference. Unfortunately, we can't make that retroactive.

For DSMs and GSRs – Judd mention the PPR, he has been very diligent to get them to be put on the website. In the prost section. Kelly also mentioned having a delegate's page. This is a good way to get this info to your members in your groups without killing trees and making paper copies. If people have interest in those documents, you can view and download them from our area website.

Hello everyone. We got our cart back that we’ve used for our Electronics equipment. Rosemarie of the Hyatt kept it in her office till we made it to Schaumburg to pick it up. It had been left there after our Spring Assembly Conference. I Attended our 2017 Big Book Conference Planning meeting on May 22nd. Things seem to be really coming together more people showing up as time approaches. This month we will be meeting at the site of our 2017 Big Book Conference. I look forward to the visit.

We had another 2018 Spring Assembly Conference Planning meeting on May 28th. This one was small in attendance but, some good decisions were made.

I’m really looking forward to the General Service Fair at the Lake Villa Township West Campus in Lake Villa. The event is next Sat. in Lake Villa. Starts at 10:00am. Thank you for letting me serve.

Report of the NIA Treasurer, NIA Summer Assembly, 6/10/2017

Balance sheet

The balance sheet report, updated through 5/31/2017, is attached.

- The prudent reserve was reduced from \$16,500 to \$16,170, or 30% of 2017's PPBs
 - Note: I have not yet transferred the balance from the prudent reserve account to the checking account
- On 5/31, after subtracting Pink and Green Can reserve funds, our bank balance was \$42,752.16 which is \$26,582.16 over our prudent reserve
- "Green Can" fund (TF literature) balance was \$157.13
- "Pink Can" fund (CF literature) balance was \$5,271.94
- "GSO Birthday Plan" fund balance was \$0 – all contributions received through end of May have been forwarded

Contributions/Expenses (Profit and Loss in QuickBooks)

- The QuickBooks profit and loss report, updated through 5/30, shows that year-to-date contributions from all sources totaled \$34,793.87, expenses totaled \$12,905.47, and the net bank balance increased by \$21,888.40.

Excess funds

Earlier, I reported that our bank balance was \$26,582.16 over prudent reserve but that is a bit misleading. Attached to this report is a PPR that projects our bank balance through the end of the year. The analysis was done using:

- Assumptions
 - Year-end totals for group and district contributions and expenses would be the same as last year.
 - Starting in June, the remaining estimates were spread out evenly over the months between June and December
- Facts
 - PPB02-17, to pay our Delegate's expenses to attend the 2018 GSC increased from \$6000 to \$7000 in December (this was reported by the Finance Committee at the Summer Committee Meeting and will likely be discussed again, later on today.
 - PPB10-17 includes a \$3,200 expense estimate in June for the renewal of our liability insurance.
 - PPB13-17 includes \$0 expense estimate the 2017 BB Conf through November, with the seed money (and no excess) being returned in December
 - PPB14-17 includes a \$3000 expense in June for the seed money for the 2018 Spring Assembly Conference
- Result
 - My calculation shows \$17,880.13 over prudent reserve as of 12/31/2017

I am reasonably confident that NIA has around \$18,000 in "excess funds". Later today you will hear some primary purpose motions (PPMs) to take advantage of service opportunities and, pending the outcome of those motions, a report from the Finance Committee discussing the remaining excess funds.

Primary Purpose Register (PPR)

- The PPR combines information from the balance sheet, profit and loss report, and NIA Guidelines. The PPR that is attached was updated through 5/31/2017. As always, the current PPR is available online at <http://aa-nia.org>.

Respectfully submitted,
