### Summer Assembly Report – Alternate Delegate

Welcome to everyone attending this Assembly. It is good to be a member of Alcoholics Anonymous.

Since the May 12<sup>th</sup>, 2018 Spring Committee meeting there have been to two more Service Orientation Workshops.

On May 19, 2018 Tom G. invited us to present a workshop in District 21. Bonnie P., our Area Secretary, Carmela R, our Area Alternate Chair, John R. our Area Treatment Chair, Robert S. our Area Delegate and myself did the presentation sharing why we do service work. Tom, thank you for inviting us to District 21.

On June 3<sup>rd</sup>, 2018, Santiago C. invited us to talk in District 65. John R. and I talked about what service positions we have held and why we continue to want to do service work. Robert talked about the General Service Conference that he just attended in New York. After the Service Orientation Workshop Robert, John and I were invited to attend a wonderful banquet. It was Fabulous!!! Thank you Santiago for your invitation to present the SOW and for lunch.

If your district would like a Service Orientation Workshop, please contact me.

In service,

Marilyn F.
